

Privacy Policy

1. What is privacy policy?

1.1. This document informs the user how personal data is being collected, processed and used from the services offered by Magic Box Ltd.

1.2. The personal data of the user is protected against loss and unauthorized access through various electronic, technical and administrative measures. Our team has taken the necessary precautions that the privacy policy is respected both from its members and the partners of our firm.

2. Collection of data

2.1. Magic Box Ltd may collect personal data, provided by the user even without his/her specific consent in one of the following cases:

1. Registration at Pirateduel.com
2. While handling payments
3. Participation in promotions and surveys
4. Request to receive newsletters

2.2. To improve our services Magic Box Ltd may collect the following non personal data:

1. IP addresses, time and date
2. Cookies
3. Statistical information such as browser type, operating system, date, time, used pages, frequency and time using particular services.

This information may be used for statistical reference and data analysis.

3. Use of personal data

3.1. Magic Box Ltd uses personal data of the user to:

1. Maintain its services and process payments
2. Improve the offered services

3. Fulfill its legal obligation and meet the requirements for preserving data

3.2. This information is also used for communication with the user, provision of assistance, support and contract information. Subject to the users content we may use it to keep the user informed about news, newsletters and future events through personal message or email.

4. Data transfer

4.1. Magic Box Ltd agrees to treat the user data with the strictest confidentiality and will not disclose it to third parties. However, in certain situations, Magic Box Ltd. might be legally responsible to disclose the user personal information. That kind of situation may be legal prosecution of the respective authorities.

4.2. In individual cases, third parties and companies may provide services on our behalf. This mainly concerns the handling of payments through external payment providers such as PayPal, PayMill, etc. Those external companies are obligated to treat the user`s data with the corresponding confidentiality and security measures and to use this data to the extent necessary to fulfill the tasks which they are responsible for.

5. Right of revocation, deletion of data

5.1. Every user who gave his/her specific consent for processing of personal data may withdraw this consent at any time. Magic Box Ltd. will delete this information insofar as it is no longer needed or the user himself/herself does not request its deletion. Please note that the data will not be deleted if they are financial obligations or if this data is required for the billing of our services.
